

3 1/2 DIGIT DIGITAL CLAMP METER

- ◆ MECO-G has introduced a new series of Digital Clamp Meter in 3 1/2 digit LCD display incorporating latest technology
- ◆ These Digital Clamp meters are stable, secure and reliable.
- ◆ These clamp meters can measure AC Current, AC Voltage, DC Voltage, AC Current, Resistance, Temperature and Frequency.
- ◆ Additional Features include Diode Test, Continuity check, Data Hold and Back light.
- ◆ Full range overload protection circuit, unique design makes it a superior performing instrument.
- ◆ These Clamp Meters are used in various industries across various sectors for maintenance and manufacturing

Model : R-2070A

Model : R-2070B

RANGE	
Voltage DC	600V
Accuracy	± (1.2% +5)
Voltage AC	600V
Accuracy	± (1.5% +5)
Ampere AC	2A/20A/200A/400A
Accuracy	± (1.5% +5)
Resistance	2000KΩ
Accuracy	± (1.0% +4)
Backlight	White
Auto Power Off	✓
Low Battery display	<7.5V
Maximum Display	1999
Polarity measurement	Automatic
Measurement speed	2 to 3 times / sec
Clamp opening size	28mm
Test wire size	Maximum 26mm (diameter)
Diode Test	✓
Continuity Buzzer	✓
Data Hold	✓

RANGE	
Voltage DC	200mV/2V/20V/200V/600V
Accuracy	± (0.8% +1)
Voltage AC	2V/20V/200V/600V
Accuracy	± (1.2% +5)
Ampere AC	2A/20A/200A/400A
Accuracy	± (1.5% +5)
Resistance	200Ω/2kΩ/20kΩ/200kΩ/2MΩ/20MΩ
Accuracy	± (1% +2)
Celsius	-40° C ~ 1000° C
Fahrenheit	-40° F ~ 1832° C
Capacitance	200uF
Diode test	✓
Continuity Buzzer	✓
Data Hold	✓
Backlight	White
Auto Power Off	✓
Low Battery display	<7.5V
Maximum Display	1999
Polarity measurement	Automatic
Measurement speed	2 to 3 times / sec
Clamp opening size	28mm
Test wire size	Maximum 26mm (diameter)

General Characteristics	
Power Supply	1.5V AAA 2
LCD Size	24.3 × 34.6mm
Colors	Iron-gray
Standard Accessories	Battery
Standard Package	Box, manual
Weight	160gms.
Size	185 × 51 × 25mm, suitable for small space.
